

Relay Team Information

1) Choose the order of your runners. The **third** leg runner will wear the number with tear off tag. The lead off and second runner do not wear a number. Each team should have a “scrungi” that was given to you at the registration desk. This will act as the relay baton. The **first** runner needs the scrungi to start the race and will pass this to the 2nd runner (and 2nd to 3rd). We will check for the scrungi and get the tear off tag from the race number at the finish chute.

2) Relay teams will assemble at the end of the sidewalk next to the parking lot at 8:35 to discuss the relay. Relay members are encouraged to provide their own transportation. We will supply transportation to 2nd & 3rd leg runners as needed. All 2nd & 3rd relay runners should leave for the exchange zone immediately after the 8:35 meeting. The exchange zone for BOTH the 2nd and 3rd leg runners is near the intersection of Woodward and Little Fleur Lane.

3) To get to and from the exchange zone, use the Northport Drive entrance. Go left on Northport 0.2 miles to Troy Drive. Go left on Troy Drive 0.73 miles to Marcy Drive. Go left on Marcy Drive 0.23 miles to Morningstar Lane. Go right on Morningstar Lane 0.23 miles to Little Fleur. Go left on Little Fleur. **Please park cars on Little Fleur.** (See map below)

4) The first runner should proceed to the starting area with the scrungi when the other runners assemble for the start of the race.

Relay Exchange Zone Location: Corner of Woodward and Little Fleur, same for both 2nd and 3rd relay legs.
